

## **Minutes of the Weare Cemetery Trustees**

July 19, 2004  
Weare Town Office

Donald Burke opens the meeting at 5:05 pm

Attendance: Donald Burke, Margo McLeod, Janet Brown, and Judy Rogers

Donald did up a wire fence in the Pine Grove Cemetery on the back side in the corner. Replacing the wire that was cut.

The men from the Hillsborough County Department of Corrections, came early---they worked 2 days in the cemetery --printing the fence in the East Weare Cemetery.

See report on items purchases and cost of the lunches. I will need copies of these bills for our records.

They are coming back in August to paint the fences (4 or 6 men)

Ron Johnson will be fixing the fences with pressure treated lumber.

Report on Jeff Dearborn tree work he will be doing soon.

Center Square	He said that Ron Johnson could handle the 2 trees that down and cut up to move out.
Pine Grove	Two trees must be removed soon, about 6 hours of work.
	The pine on the road should be removed soon by the highway department We may need a pine tree top cut off to take off some of the weight.
Sugar Hill &	
Eaton	Many trees need to be trimmed or removed, about 8 hours of work.
Collins	Several trees need to be trimmed, about 4 hours work.

Donald will get the kids to finish the walkway in the Pine Grove Cemetery.

Margo reported the problem of the number of cemetery lots that has bark mulch on them today. Janet feels that we should not do any thing at this time because most people are NOT aware of the Rules and Regulations that we have. Margo suggests that we remove the bylaws #5 on the bark mulch. This action will take a month or so. No action taken.

Next meeting Aug 16 at 7 pm.

Meeting adjourned at 6.30 pm. Respectfully submitted Margo McLeod
